MONTANA STATE FUND
INVITATION FOR BID (IFB) ADDENDUM
IFB- MSF #1
TITLE: Auxiliary Furniture

ADDENDUM NO. 6

To All Bidders:

The Montana State Fund (MSF) is providing a formal, written response through this addendum to the following questions.

1. **Question** - Waveworks collection by National does not make a 48”w bookcase...only 36”w.

Answer - Please proceed by using the 36”w bookcase.

2. **Question** - Item # F1 – the specification sheet says the cabinet should be 18x42, the excel spreadsheet that identifies quantities, etc says “file cabinets 36”w w/ 3 drawer”. I quoted 42”w cabinets per the specification sheet, but wanted to be clear as to what is required. Are the plam tops for the file cabinet groupings or individual?

Answer: This was an error on the spreadsheet. Please quote 42”w as per the specification sheet. Plam tops are to cover the F1 groupings according to the floor plan.

3. A model number for an approved equivalent for T15 is incorrect.

Item # T15 - National Universal

The model number annotated on Addendum 5 – Attachment 1 – Approved Equals/Model Numbers for T15 is incorrect. It shows CP-48EMC which is the number for a 48” round top. **T15 should read: National - Universal - CP-S144E/(3)-3828XN.**
